

Douglas County Democratic Party Organization Chart

Standing Committees and their Chairs are appointed by the County Chair at the Reorganization meeting (or shortly thereafter) in February of odd-numbered years.

Each precinct has 2 PCPs, normally elected at the Democratic Caucus in March of even-numbered years. All become members of the Central Committee. Between caucuses, PCP vacancies are filled by the Executive Committee, with consent of the County Central Committee. Neighborhood Leads are informal positions not covered by the county rules. PCPs decide how to organize their precincts.
